

GOZO - Malta's Sister Island

An Island fit for Variety

GOZO is a third the size of Malta, more rural and simple, its culture and way of life rooted in fishing, as well as in primitive pastoral and agricultural activity.

Life on Gozo moves at a leisurely pace.

Choose from rocky inlets to red sand beaches or sail, snorkel, dive and fish. Gozo has some of the Mediterranean's best dive sites.

But there's more. Gozo comes complete with historical sites, forts and amazing panoramas.

Plus one of the archipelago's best-preserved prehistoric temples, Ggantija.

Renowned for its accommodation in typical farmhouses and villas with pools

Gozo also boasts a couple of very good hotels and is definitely an Island that can host a blend of travel purposes... be it business, incentive or purely leisure....

Gozo has all the right resources to make your trip a memorable one!
